2021 ANNUAL REPORT

GULF COAST EDUCATORS FCU

Letter from the President/CEO

We would like to thank our member-owners for another successful year at Gulf Coast Educators Federal Credit Union. Your loyalty and continued trust in the credit union is what allows us to continue to grow year after year.

In 2021, the credit union experienced extraordinary growth as we expanded our service area to helping educators all across the state of Texas. Gulf Coast Educators FCU accomplished a number of milestones in 2021, including:

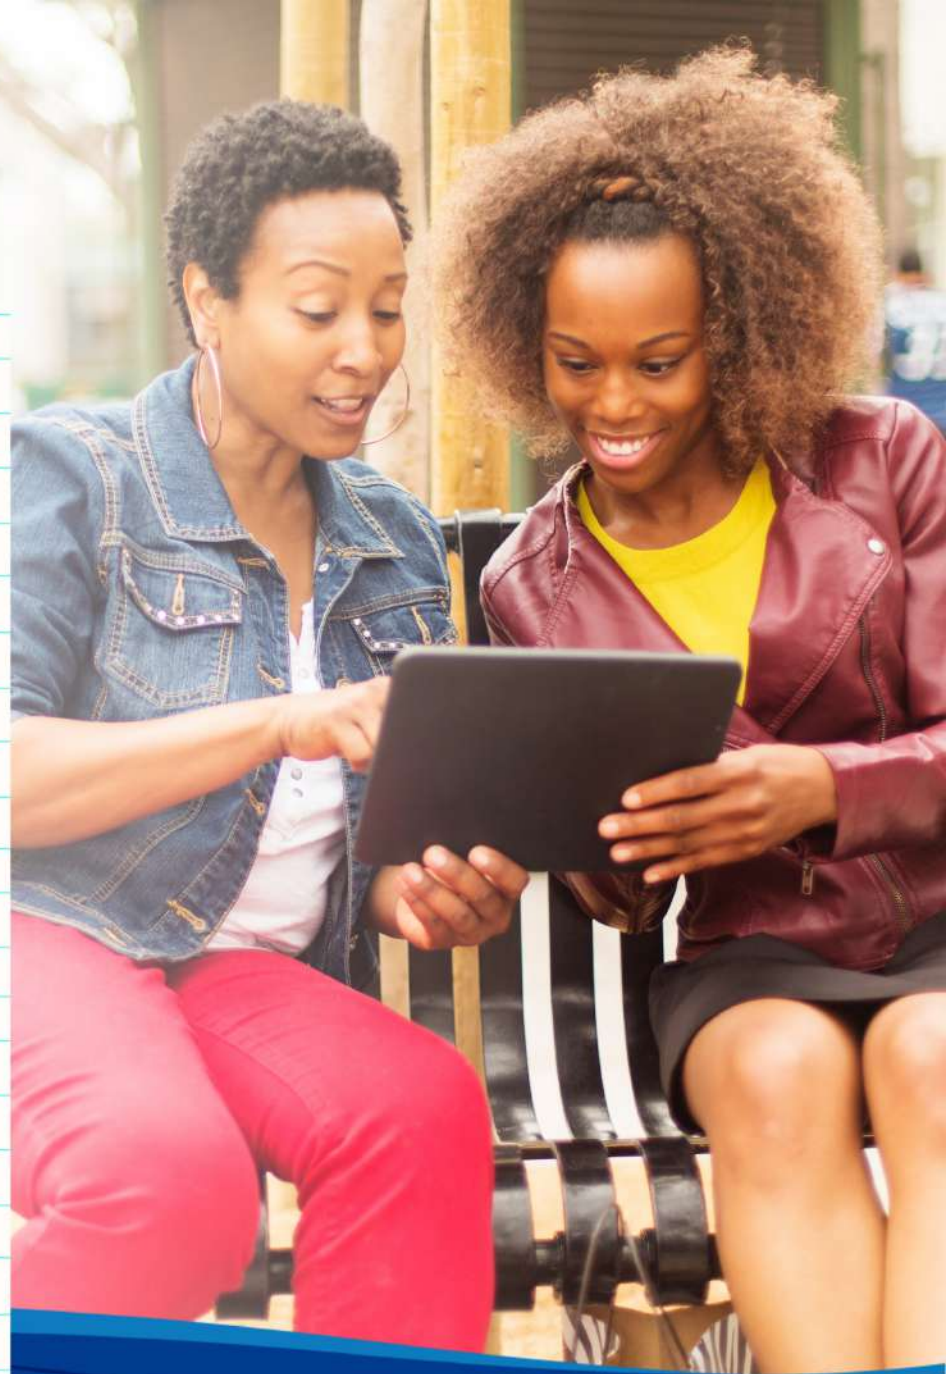

- Opened our eighth branch location in Katy, TX.
- Added a new stand-alone ITM in the Fairway Plaza shopping center across from our Pasadena branch.
- Streamlined our Skip-A-Pay process so that members can skip their loan payments any time of the year, not just during promotional periods.
- Partnered with CUSO Financial to bring in an in-house financial advisor to handle investment services.
- Partnered with CUDL, a program that allows us to fund indirect loans to educators outside the greater Houston area.
- Continued to spread GCEFCU brand awareness across the state of Texas through school district partnerships, HSA administration, digital ads, and sponsorship of our first statewide educator conference.
- Surpassed \$1.2 billion in assets.

These accomplishments were only made possible by the support of our members. We look forward to a prosperous 2022 and are excited to see what is in store for GCEFCU in the future.

Sincerely,

Linda Lukaszewski
